Firm Description

Fanning/Howey Associates, Inc. is among the nation's top-ranked architectural/engineering firms focusing on educational facilities planning and design. Our in-house staff includes more than 100 architects, engineers, and planners, as well as 44 LEED Accredited Professionals. For nearly five decades, school design has been the focus of our practice. It is a challenging and rewarding endeavor that has allowed us to impact the quality of education in communities ranging from Alaska to Washington, D.C.
