Principals

Terry Welker, FAIA

Firm Description

Through the Welker Studio, Terry has become an invaluable Public Art Consultant. Since 1995 he has served on public art commissions, public art juries, and developed own significant career in public art. Terry can help architects and owners successfully plan for art integration in architecture.

Terry Welker, FAIA has been an Ohio certified Building Official and Master Plans Examiner since 2000. His continual code education and strategic project planning for architects helps them to save time and money form their firms and clients while maintaining the highest aesthetic standards.
