AIA Dayton Vision

AIA Dayton is the link that connects the architecture profession and the community.

AIA Dayton Mission Statement

AIA Dayton is the voice of the architectural profession and the resource for its members in service to society.

- * Engage with our local members.
- * Connect with the profession.
- * Impact the community.

AIA Dayton Goals:

AIA Dayton Annual Meeting
October 27, 2026

President's Report

Chapter Leadership and AIA Ohio

- Participated in AIA Ohio Member Engagement Committee and chapter president discussions.
- Attended AIA Ohio Advocacy Day in Columbus. Topics included architect licensure and public safety, HB 361 (zoning and plan review), and SB 262 (construction contracts).
- Participated in the AIA Ohio Foundation Student Design Awards jury.

AIA National Conference

- Attended the national conference and Annual Business Meeting, reporting updates to the Board.
- Highlights included AIA initiatives addressing artificial intelligence, a national AI Toolkit, and governance restructuring.
- Reported national election results and the announcement that membership dues would remain unchanged for 2027.

Sponsorships Committee

- Maintained and updated the chapter sponsorship tracking spreadsheet; followed up with renewing and prospective sponsors.
- Welcomed Tremco as a new sponsor and coordinated sponsorship opportunities for Young's Dairy and the Focus on Design Lecture.
- Sponsorship revenue declined this year; efforts continue to replace lost support through renewals, new partnerships, and event sponsorships.

Member and Sponsor Events

- Young's Jersey Dairy event provided an opportunity for members, families, and sponsors to connect.
- Participated in the Sponsor Appreciation Picnic and thanked supporting industry partners.

Professional Outreach

- Pursued a mayoral roundtable for Architecture Week. The event did not materialize, but we will continue developing it for 2027.

Focus on Design Lecture | November 17

- Tim Derrington of Derrington Building Studio confirmed to present "A Path of Less Resistance."
- The program addresses working creatively within budgets, schedules, existing conditions, and the realities of practice.
- Partnered with the University of Cincinnati to share lecture costs, supplemented by grant funding. Tim Derrington presents November 17 at the anticipated Engineers Club of Dayton venue. Please attend; final details will be announced.

AIA Dayton Annual Membership Meeting President-Elect Report October 2026

Overview

Throughout 2026, the President-Elect transitioned from leading the continuing education committee to heading up the nominating committee.

Continuing Education

Continuing Education Programs for 2026 began with planning started in 2025. Programs with advanced planning included the Snyder Brick and Block bus trip to Belden brick plants and an Ohio Concrete presentation at Elements IV. Additional programs over the course of the year continued to grow in offerings to membership and beyond.

Nominating Committee

The committee started coordination for potential 2027 Board of Director candidates at the beginning of the year. Our Associate Directors provided support in connecting with members interested in being candidates for the new year. Adding to the slate, the committee also welcomed new interest in the Treasurer, Director, and AIA Ohio Director roles.

By August, the Nominating Committee presented this slate of candidates to be voted on by the membership at its annual meeting:

President-elect: **John Tatone**, AIA, Woodard Development

Treasurer (2-year term): **Maggie Beecroft**, AIA, Champlin

Director (elect two): **Veronica Pochet**, AIA, Levin Porter Associates; **Betty (Lynn) Krodel**, AIA, Thomas Porter Architects

Associate Director (elect two) : **James Kent**, Assoc. AIA, Snyder Brick and Block; **John Kent**, Assoc. AIA, McCall Sharp Architecture

AIA Ohio Director (1st year of 3-year term): **Mike Duke**, AIA, JPA Architecture

Fulfilling previously elected 2026 positions:

President: **Jessica Morgan**, AIA, Simonson

Past President: **Mike Duke**, AIA, JPA Architecture

Secretary (2nd year of 2-year term): **Craig Moyer**, AIA, JPA Architecture

Thank you to everyone who helped engage new and continued leadership, and our Executive Director Jane who provided ongoing support.

Respectfully Submitted,

Jessica Morgan, AIA

Highlights & Accomplishments for the Finance Committee 2026

The board of directors proposed a 2026 budget expecting revenue of \$89,537.70 which is a \$3,885.80 decrease from 2025. After 2025, all categories of the budget were carefully reviewed, and adequate funds were accounted for to cover the current AIA Dayton Programs.

The finance committee continues to monitor cash reserves with the goal of maintaining a reserves-on-hand minimum of 50% of the annual budget. Our current reserves at the end of September were \$13,564.66, which is 15% of the annual budget. The cash reserves-on-hand reflect an increased amount as this time last year (\$318.12). The low cash reserves reflect the losses of previous years that have not been recouped. Along with the income from the Design Lecture, chapter sponsorships and membership dues that will come in at the end of the year will also be reflected in the final year-end budget.

Similar to last year, the committee like to propose a dues increase for 2027 of up to, but not exceed the CPI for June 2026.

The committee continues to implement the financial control system approved by AIA Dayton. We will continue to serve the membership by providing oversight and planning for our day-to-day operations and allow the Board of Director's to focus on valuable programming & events that will benefit our members throughout the year.

Respectfully Submitted,
John M Tatone, AIA

The meeting was called to order at 6:20 PM. A quorum was present.

- 1) President's Report – Bryan Greene, AIA
 - a) Bryon presented a recap of 2025 including updating the AIA Dayton Strategic Plan and chapter goals, attending the Leadership Summit in Washington, DC, the AIA National Convention in Boston, MA, and the AIA Ohio Advocacy Day and the Convention in Columbus. Key chapter events included Top Golf, Young's Jersey Dairy, the Sponsor Picnic, and the upcoming Focus on Design Awards program at Benham's Grove. Bryan also reported on the discussions of the Board regarding AIA Dayton investigating becoming a Section of AIA Ohio. Pros and cons were discussed, and it was noted that there is no set timetable for AIA Dayton to pursue that arrangement. Bryan invited meeting Sponsor Chris Hice to introduce himself and his company Kimley-Horn.
- 2) President-Elect Report – Mike Duke, AIA

Mike announced the Nominating Committee Report for election later in the program. President – Mike Duke, AIA; President-elect – Jessica Morgan, AIA; Secretary (1st year of 2-year term) – Craig Moyer, AIA; treasurer (2nd year of 2-year term) – John Tatone, AIA; Director- seeking candidates; Assoc. Directors – Katie McCall and Lauren McCarroll; AIA Ohio Director – Joe Bissailon, AIA (3rd year of 3-year term); and Past President – Bryon Greene, AIA. Mike reported that the Chapter sponsorships totaled \$24,575 for 2025, which included Chapter sponsors, Code Academy, Young's, Focus on Design and the annual meeting. Thanks to Kimley-Horn for sponsoring the annual meeting refreshments.

Mike also reported that an AIA Dayton committee served as the Jury for the 2025 AIA Grand Rapids Honor Awards Program.
- 3) Treasurer's Report – John Tatone, AIA

The Board of Directors proposed a 2025 budget expecting revenue of \$93,423 which is a \$6,622 increase from 2024. After 2024, all categories of the budget were carefully reviewed, and adequate funds were accounted for to cover the current AIA Dayton programs. For 2027, the committee proposed a dues increase up to but not exceeding the CPI for June 2026. **Motion was made and seconded to approve a dues increase for 2027 up to but not exceeding the CPI as of June 2026. Motion passed.**

- 4) Secretary's Report –Cally Lange, AIA
 - a) **Motion was made and seconded to approve the 2024 Annual Meeting minutes.**
Motion passed.
 - b) The following recently registered architect was recognized:
 - Lynn Krodel, AIA – in attendance
 - c) The Communication Committee reported on the social networking sites which has all seen growth in 2025 except for X (formerly Twitter) which is now closed. She encouraged members to send photos, stories and any other relevant content to be shared on social media.
- 5) Director Reports – *Jessica Morgan, AIA*

AIA Dayton has completed 14 hours of HSW credit and 6 hours of LU credit to date, with an additional 2 hours of HSW and 7 hours of LU scheduled. 2025 included 3 building tours, partnering with AIA Cincinnati for the Solar Energy series, joint meetings with SAME and the Built Environment Week at Sinclair.
- 6) Associate Directors
 - a) *Lauren McCarroll, Assoc. AIA* – Lauren reported on the 2025 Student Design competition which was to design a Teen Hub in downtown Dayton. There were seven awards for Honor, Merit, Honorable Mention, Future Architect, Master Craftsperson, and Best Use of Materials.
 - b) *Katie McCall, Assoc. AIA* – Katie reported that the Early Professionals Committee organized study sessions and maintained the AIA ARE Resource Library.
- 7) AIA Ohio Director – Joe Bissaillon, AIA

Continued working on efforts to support the AIA Ohio Strategic Plan, including participating in work groups on member engagement, government advocacy, public awareness, organizational vitality, and sponsorship. Represented AIA Dayton at both the AIA Ohio and AIA National Conferences. Increased revenue and profit of AIA Dayton & SAME Kittyhawk TopGolf event and partnership will be continued in 2026.
- 9) AIA Ohio President-elect– Charlie Setterfield, AIA

One scholarship was awarded to an area student through the AIA Dayton Architectural Scholarship at the Dayton Foundation and the matching grant program of AIA National: Cadence Deacon - \$1000. Cadence is a graduate of Miamisburg High School attending Miami University.
- 8) Executive Director Report – Jane Treiber

Jane reported that the current membership is 92 Professional members, 35 Associates, 26 Emeritus, and 37 Professional Affiliates for 190 members. AIA Dayton has 47 members under 50; 41 members between 51 – 65; and 45 members above 65. This represents a lot of opportunity for the younger members to become the leaders in firms within the next 10 years.
- 9) Nominating Committee Report – Mike Duke, AIA

Motion was made and seconded to accept the report through unanimous consent.
Motion passed unanimously.
- 9) Old Business – There was no old business.

4. Growing the Committee: A Call for Members

As we plan for 2027, we invite new members to join the Continuing Education Committee. Our goal is to align programs with AIA Dayton's strategic priorities: engage our membership, connect our profession with the community, and make a positive impact on the community. We welcome members who can suggest relevant topics, identify building and hard-hat tours, connect us with presenters or partner organizations, help coordinate events, or share programs with their firms and schools. You do not need to organize an entire event to contribute; helping with a single tour, speaker connection, or program is valuable.

If you are interested in joining or would like to learn more about the committee, please email vpochet@levin-porter.com. Feel free to reach out with questions, suggestions, or to recommend a program.

Thank you to our committee volunteers, presenters, sponsors, partners, and AIA Dayton leadership for making this year's programming possible.

Respectfully submitted,

Veronica Pochet, AIA

AIA Emerging Professionals Committee Report

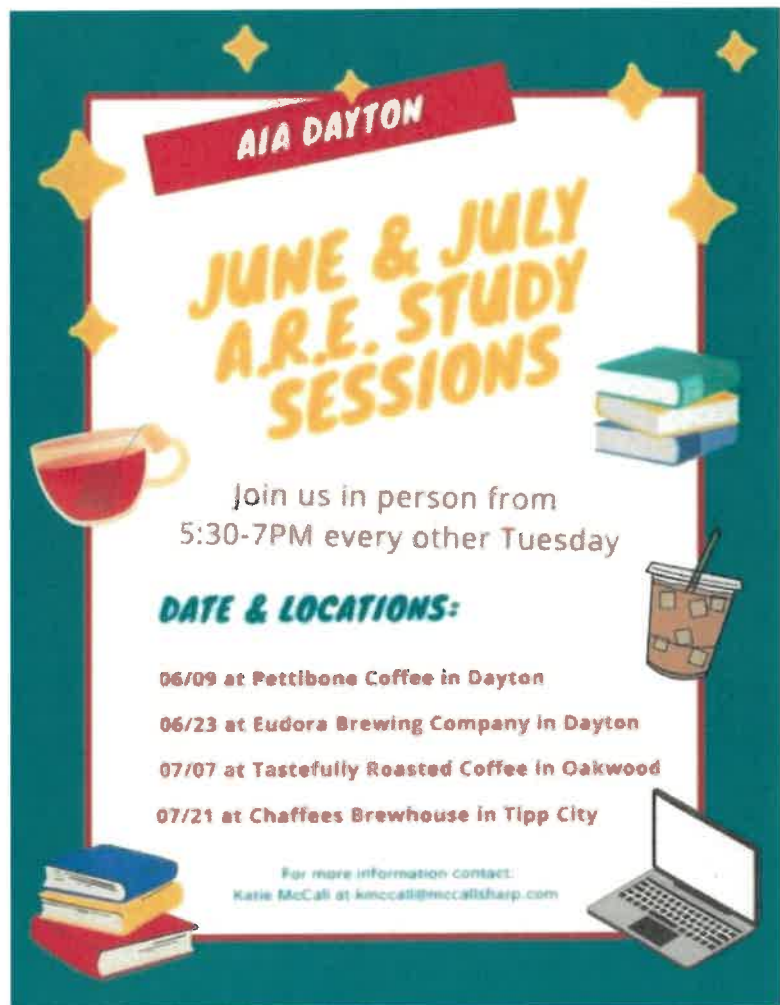

This year, nine ARE Exam study sessions were organized and held between June and September, meeting every other Tuesday from 5:30–7:00 PM at various coffee shops, cafés, and breweries throughout the Dayton region. Two promotional flyers were created and shared through AIA Dayton's digital newsletter and social media to encourage participation. Although attendance remained limited, the sessions continued to provide an opportunity for Associate members to connect, study, and work toward architectural licensure.

In addition to the ARE study sessions, I assisted Lauren McCarroll and the Student Design Competition Committee with the 2026 Annual Student Design Competition. This year's competition focused on designing a multi-generational home in Dayton's historic Huffman Neighborhood, incorporating principles of universal design and accessibility. My involvement included helping create promotional materials distributed to local teachers, assisting with the January design charrette and student project submissions, and designing the competition T-shirts. It was rewarding to be involved in an initiative that introduces students to architecture and encourages the next generation of design professionals.

As this concludes my time serving as an Associate Director, I want to thank the AIA Dayton Board and its members for the opportunity to serve. I've genuinely enjoyed my time on the Board and appreciate the opportunity to contribute to the chapter and our architectural community. I look forward to staying involved with AIA Dayton in other ways as my schedule allows and wish everyone continued success in the coming year.

Respectfully Submitted,

Katie McCall

Annual Meeting – October 27, 2026

Highlights & Accomplishments of the Student Design Competition Committee

The 2026 Annual Student Design Competition was a great success, providing the opportunity for AIA Dayton to engage with multiple schools and faculty in the surrounding community. This year, the project was centered around designing a multi-generational home in the historic Huffman Neighborhood. Students were introduced to universal design and ADA standards as they designed for residents with mobility needs. The program gave students a digestible intro to technical concepts that design professionals consider on a day to day basis.

In collaboration with The Huffman Historic Neighborhood and local residents, we kicked off the design challenge with a charrette on January 24th with over 45 students, faculty, parents, volunteers, and presenters. Presentations on concepts of universal design and multi-generational housing were given by AIA Dayton Student Design Committee members. The students also had the opportunity to tour a local residence with architect, Lora Sebald, designed with aging in place in mind.

Design Charrette: St Paul United Methodist Church

Throughout the project, our committee assisted students and advisors utilizing the competition program in their curriculum. Project entries were reviewed and judged on March 20th by Mike Ruetschle, AIA, Madilyn Jenks, Miami University AIAS, and Huffman Neighborhood residents: Joel Michael and Rosie Miller. The competition concluded with an awards ceremony to recognize the students and advisors who participated on April 4th at the Southeast Branch Library. \$1,700 in scholarships and prizes were awarded to seven students from 3 different

schools, sponsored by L2 Engineers, Sinclair College, Thomas Porter Architects, and Champlin Studios. Each year, students bring immense talent, creativity, and attention to craft in their projects. We believe the future of the design profession is bright!

Thank you to the Student Design 2026 Competition Committee (Katie McCall, Alex Bohler, Lynn Krodel, Maggie Beecroft, Jose Osanya, Layah Brown, and Jane Trieber) who worked diligently to make this competition available to our community. We also want to extend our appreciation to Hatch Architects, who provided design sessions each week throughout the duration of the project.

As I depart the board this year as one of the Associate Directors and co-chair of the Student Design Committee, I want to thank the board and members of the chapter who gave me the opportunity to serve the community and profession in this capacity. The future of the committee is in great hands!

Planning for the upcoming 2027 Student Design Competition is already underway. If you are interested in joining this committee and investing in the next generation of design professionals, it's not too late to join! Please contact Jane Trieber or anyone on the committee. We would be happy to get you plugged into the team!
